

January 2025

Head Mechanic position available at Simon's Golf A/S

Due our long-serving mechanic relocating in February 2025, Simon's Golf A/S is seeking a new Head Mechanic to join our team.

About Simon's Golf:

Simon's Golf, located in Kvistgård, North Zealand, is a prestigious and well-established course designed by Martin Hawtree. The initial 18 holes opened in 1993, with an additional 9 holes introduced in 2007. Renowned as one of Denmark's premier championship courses, Simon's Golf continues to uphold its reputation for excellence.

What we offer:

- Exceptional workshop and maintenance facilities
- An extensive fleet of modern machinery, predominantly TORO, Belrobotics and Stihl
- Substantial spare parts budget

Role overview & requirements

- Strong organisational and communication skills
- Conversational level of English also beneficial as we are a multi-national team
- Daily communication and planning with the Superintendent
- Good communication with the greens-staff regarding cleaning, fuelling and operation of machinery ensuring they report any defects
- Advise and instruct the Assistant Mechanic/Belrobotics Technician
- Proficient in grinding and back-lapping
- Expertise in cylinder mower height and cut adjustments
- Preventative maintenance program planning and execution
- Ensuring the workshop is a clean and safe working environment
- Drivers licence
- Welding licence (beneficial but not compulsory)
- Forklift licence (beneficial but not compulsory)

Additional benefits and information:

- 37 hours per week (overtime may be required occasionally)
- Company pension
- Assistance with temporary or long-term accommodation is a possibility
- Competitive salary, negotiable based on experience
- Golf privileges

If you are passionate about maintaining high-quality equipment and thrive in a collaborative environment, we would love to hear from you.
